

MEDICARE Assistance Program

A Medicare plan can often replace your current health plan at a lower cost with greater benefits.

No-cost Medicare assistance is available to CAL NECA members and their family members.

Cal NECA provides access to SGIA's Medicare expertise. Their unbiased and unique one-on-one approach may result in increased benefits with significant cost savings.

CAL NECA is committed to providing the highest quality assistance when making important healthcare plan decisions for members and family members.

Through our partnership with *Strategic Growth Insurance Associates, Inc. (SGIA)*, we are able to provide access to expert Medicare guidance and services. SGIA specializes in all areas of Medicare. Which includes Part A, Part B, Part C, Part D, and supplemental plans.

SGIA's Medicare expertise is available free of charge for all your current and continuing healthcare needs. A thorough examination of Medicare options may increase benefits and reduce costs.

Medicare Services Include:

- One-on-one, confidential guidance at no charge.
- Certified and licensed Benefits Consultants conduct thorough individual evaluations to determine specific benefit necessities.
- The most appropriate and cost effective plan is identified through analysis of all major Medicare plans available.
- Complete enrollment assistance and continued support for all your healthcare plan needs.
